

# Theme: Living Life in 3D

Scripture John 10 (Jesus is the Good Shepherd)

Memory Verse: "I came that they may have life, and have it abundantly." John 10:10b

Life Application: When Jesus is in our lives, everything is better, the way a 3D movie stands out compared to regular movies...life with Jesus can be outstanding!

For the next few weeks we will be discussing what life is like with Jesus as our Lord and Savior. Please consider volunteering to share "your story" with our class...what better way for our children to know about Jesus than to hear and see it from us; their church family. Share how your life is 3D!
